Break into small groups to read and discuss the following questions.

Questions to Consider:

1. Look back at who you were before you fell into your struggle. Can you identify anything about yourself that contributed to or made it more likely you would fall into your current struggle?
2. Who do you want to be? Who do you think you can be? Who has God made you to be?
3. Describe the person you see, what's different about them than who you are now or have been in the past?
