1. What is one way you won last week?

### Power to Live a Victorious Life

#### Acts 1:8

But you will receive **power** when the Holy Spirit comes on you, and you will be my witnesses in Jerusalem, and in all Judea and Samaria, and to the ends of the earth.

#### Basic Power

The ability to do something or act in a particular way, especially as a faculty or quality.  
"the power of speech"

#### Biblical Power - Dunamis/Dynamis

For the believer, power to achieve by applying the Lord's inherent abilities. "Power through God's ability"

After His resurrection, Jesus promised to send the Holy Spirit to empower believers to become first-hand witnesses of who Jesus is and His power to set people free. We no longer have to struggle through life trying to overcome with our own strength. We can obtain victory through the strength of God's Spirit.

As we grow closer to Jesus our lives and our words should bear increasing witness to the reality of a living Savior who has overcome sin and given us the power to live victorious lives.

The work of Jesus in our lives is not meant to be kept private in our hearts. It is meant to be seen and shared with the many people around us. The ones who are struggling to find lasting victory in their own lives.

#### Questions to Consider:

1. In what ways have you experienced the power of God helping you overcome a struggle you have never been able to overcome on your own?
2. How would you explain to someone else the difference between relying on God's power rather than relying on your own?
3. What struggle are you currently attempting to solve or overcome with your own strength?
4. What steps can you take this week to shift from relying on your ability to relying on God's?
